Dear parents,

Due to the school closure, I have provided a pack of activities that you might like to do with your child. Below is a list of activities children can do at home. I have also provided a list of websites that may be of use as well as a Lego challenge on the back of this letter. This is a very strange time for us all and I wish you all the very best and look forward to seeing you as soon as possible. Take care and have fun.

Activities at home

Literacy

Practice Year 3 and 4 spellings.

This half term, we have been punctuating speech. Children can write a conversation between two characters of their choice.

We have been reading *The Hodgeheg* by Dick King Smith but didn't get a chance to finish it. Children can draw a comic strip to show how they think it will end.

Daily reading is still essential and a reading book will be sent home. I have included some comprehension questions in the pack.

Maths

Children should revise times table facts and the matching division facts. By the end of Y3, children are expected to know 2,3,4,5,8 and 10. The others will be useful too however!

Practicing telling the time to the minute.

There are some addition and subtraction word problems in the pack to solve.

Geography

Design a rainforest animal and write about it.

Compare the weather to that of a rainforest.

French

The children can practice numbers to 20 and colours.
