Quicksticks Hockey Coaching

Dear Parents/Carers,

All of key stage 2 will be doing Quicksticks hockey training this half term. It is **strongly recommended** by Lancashire County Council that children should wear a mouth guard and shin guards.

This is supported by the National Governing Body for hockey, 'England Hockey' who state,

"Even though the Quicksticks ball is safe, it is strongly recommended that shin protectors and mouth guards are worn by players on the pitch."

Following this advice, we would therefore strongly recommend that you purchase this protective equipment before Tuesday 10th September.

Your child will not be prevented from taking part, however as we strongly recommend the use of protective equipment, we take no responsibility for any injuries sustained from lack of protective kit.

Thank you
