

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • We have continued to have Intra-Sports competitions, special days e.g. Jubilee, sports days, Change4life at the University of Cumbria. • We have had lots of extra-curricular clubs over the year. We asked the pupils in autumn which clubs they would like. Fencing, dance and gymnastics came out as the most popular which we included into our extra-curricular offer. We have had different children partaking in these clubs. • We have had the pupil voice through the sports captains and we have introduced the PE ambassadors from all different year groups. This allows us to have the pupil opinion from across the school. • We continued to use the PE app for the first year. Some technical issues but most teachers are now using it in PE sessions. • We had Steve Pemberton coming to promote Cricket to local clubs and some children went to the club at the weekends. • We have now employed a welfare member of staff to run Change4life clubs at lunchtimes. • Awarded gold in the School Games. 	<ul style="list-style-type: none"> • Have a variety of extra-curricular clubs up after finding out which clubs the pupils would like, listening to the pupil voice. • Continue Change4Life club at Lunchtimes to enable children who do not like PE and Sport to partake in sport and change their attitude. • Pupil voice- have the Sports Captains and ambassadors. A formal way to evaluate after tournaments, clubs to evaluate them. • Assessment through PE. We need to continue to use the app throughout school. • Have more active areas at playtime e.g. equipment and storage. • Look at areas of skills that we need to catch up on e.g. fundamentals in KS1. • To retain Gold status in the School Games.
